CAPITAL PROJECTS

It was a busy year on the HSCMV campus in terms of capital improvements. With support from the Eden Hall Foundation and Hillman Foundation, the HSCMV began a project to modernize its HVAC system, which includes nine new air handlers and two new boilers. This work will wrap up in 2023 and the improvements will serve the campus for decades to come! The rubber roof of the HSCMV's administrative office was also replaced in 2023 with support from Massey Charitable Trust and the United Way of Southwestern Pennsylvania's Falk Fund. With the rebranding efforts complete, the HSCMV also upgraded each of its own classroom doors! In 2023, thanks to support from the DSF Charitable Foundation, additional improvements will be made to the HSCMV's classrooms.
