

LEAD SAFE HOMES

ALLEGHENY COUNTY

FREE home repairs to keep families safe from lead paint.

WHY APPLY?

Lead, an element found in nature, is a common ingredient in household paint in homes built before 1978. NO level of lead is safe. It is toxic to humans, especially young children. Even low levels can cause IQ loss, behavioral problems, developmental delays, and other health issues.

WHAT DOES THE PROGRAM DO?

- 1 Tests homes for lead paint and soil.
- 2 Removes, replaces, or covers all areas in a home with damaged lead paint. This program is **FREE** for qualifying homeowners, renters and landlords.*
