

PENNSYLVANIA CLIMATE ACTION PLAN

COMMUNITY CLIMATE CONVERSATIONS

A series of in-person workshops hosted by the Pennsylvania Department of Environmental Protection (DEP).

WHY ATTEND?

These workshops are an opportunity to share your thoughts, concerns, and ideas for addressing climate change and to learn how Pennsylvania is planning for a more sustainable future.

The purpose of this workshop is to:

- Educate the community on the Pennsylvania Climate Action Plan
- Gather valuable feedback on the proposed sectors and strategies
- Explore how these strategies will directly affect your community
- Offer resources and guidance to support local involvement and action

Help us create a brighter, more sustainable future for Pennsylvania. Feel free to share this invite with your colleagues, friends, and family who care about building climate resilience in your communities.
