

## Attention

The following are regulations of the Borough for garbage/trash pickup:

1. Cans with tight fitting lids are required for all garbage. Garbage containers are to be kept covered. Garbage containers shall be water-tight and an overlapping lid of 20 or 30 gallon capacity and weighting not more than 20 pounds when empty. Cans that are full should not weight more than 50 pounds each.
2. Garbage/trash is to be placed at the curbside no earlier than the night before your pickup day.
3. Allow to put out one piece of furniture or one appliance a week. Appliances with Freon will only be pickup if the Freon was removed by a qualified serviceman. The service man must provide a certification which must be attached to the appliance, certifying the Freon has been removed.
4. No building materials, automotive parts, TVs or Computers are picked up under our contract. A company that recycles TVs and Computer: Eloop, LLC, 2010 Borland Farm Road, Export, PA 15632, Phone number is 724-519-7646.
5. No dumping is permitted in the Borough.

Borough of Turtle Creek

## 2020 Recycling Guidelines

Great things happen when residents Recycle Right! By recycling everyday items like those shown below, raw materials, time, energy and money are saved. Plus, the recycled materials become new products - if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days - and the cycle continues. For programs to be successful, all participants must make an effort to follow good recycling practices.

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs and jars. Any other plastic shape must go in the trash.
- Glass is no longer accepted for recycling. Glass runs hard on our machines and can contaminate other good recyclables.
- Containers that held food should be rinsed free of food debris and liquid.
- Shredded paper is not accepted.

Always Recycle

Plastic Bottles, Jars & Jugs (containers labeled # 1 and # 2)

Flattened Cardboard & Paperboard

Food & Beverage Cans

### Do NOT include in your mixed recycling cart:

NO Food Waste (Compost instead!)

NO Plastic Bags & Film (Find a recycling site at [plasticfilmrecycling.org](http://plasticfilmrecycling.org))

NO Foam Cup & Containers (Check [Earth911.org](http://Earth911.org) for options)

Glass Bottles & Containers

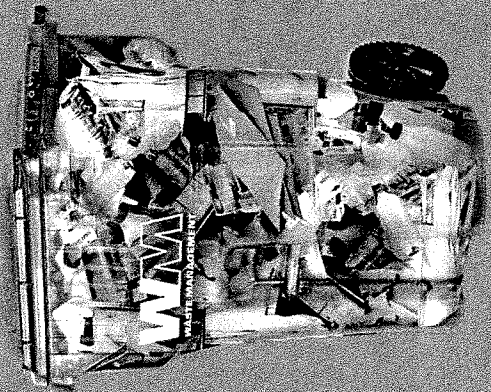

NO BAGGED RECYCLABLES

### NO Needles

(Keep medical waste out of recycling. Place in safe disposal containers like WM's MedWaste Tracker® box.)

THINK GREEN:

Recycling will be collected every other week. Please make sure you are putting the right materials in to your recycling bin.
