Congratulations to Turtle Creek Elementary STEAM Academy students Katelyn and Charlotte who were the first and second place winners of the 12th annual LET'S CLEAR THE AIR POSTER CHALLENGE presented by the Pennsylvania Resources Council! Students attending schools in a 10-county region entered the competition during the 2021 – 2022 academic year.

This challenge encourages students to learn about the effects of air pollution and how to reduce their exposure. Then they were asked to take action through a poster campaign promoting clean air and alternative transportation. Students were allowed to create their posters via a variety of media, including watercolor, pen and ink, crayon, marker and charcoal. A panel of judges selected the first place and second place winners in three categories: Fourth and fifth grade students, sixth through eighth grade students, and high school students.

Katelyn and Charlotte's posters will be on display with the other winners in Western Pennsylvania to promote clean air.

Registration is still ongoing for the 2022-23 school year. Parents or guardians interested in registering their child for kindergarten, as a transfer, or as a new resident to the Woodland Hills School District can download a registration packet at <https://www.whsd.net/0/Content/148>. Completed registration packets with supporting documents can be emailed to registration@whsd.net. They can also be returned in person by making an appointment. Registrations are currently being accepted in person at Woodland Hills High School. Registration appointments can be made for Tuesdays, Wednesdays and Thursdays from 9 a.m. to 2 p.m.

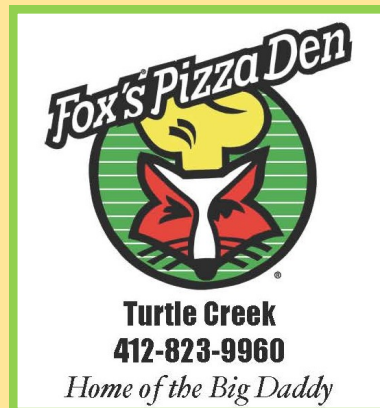

The Woodland Hills School District Community Day is scheduled for Saturday, August 20 from 10 a.m. to 4 p.m. We will have games, activities, food and more along with an opportunity to meet with organizations the district partners with on a regular basis. Please keep an eye out for more information from the district throughout the summer about Community Day.
