The Woodland Hills School District welcomed back students on Wednesday, August 24. As the school year progresses, there will be all kinds of opportunities for parents and community members to volunteer their time or participate in activities and events throughout the district. Volunteers are always welcome throughout the district, whether it's a one-time occasion or regular assistance. If you are interested in volunteering, please note that the district may require clearances in order for you to work around children. However, there are also situations where you can help out without needing to provide clearances. Guest readers, field trip chaperones, working concession stands, and much more don't require clearances – just your willingness to help!

For more information about volunteering in the district, please visit: <https://www.whsd.net/parents/volunteers>

### Foreclosure Assistance Still Available!

Pennsylvania homeowners facing foreclosure or other financial hardships because of the COVID-19 pandemic may be eligible for help.

The Pennsylvania Homeowner Assistance Fund will help homeowners whose annual household income is at or below 150 percent of the area median. The program is designed to prevent or ease mortgage delinquencies, defaults, foreclosures, displacements and utility disconnections.

The Pennsylvania General Assembly allocated \$350 million in federal funds toward the relief effort.

Mon Valley Initiative is one of the agencies that will provide help through the program.

To find out more information, call housing counselor Jonathan Weaver at 412-464-4000, ext. 4008,
